TESTIMONIALS AND FEEDBACK

Exhibitor Quotes

Lots of visitors have attended this exhibition and we definitely received good footfalls. LED Expo has proven extremely beneficial for both manufacturers and buyers who have participated this year.

Mr Kishore Agarwal, Director,
Cygnus Lighting LLP

LED Expo gave us a wonderful platform to showcase our complete range of semi-conductors, lighting, and smart home solutions. We would certainly like to participate again.

Mr Raj Shah, Director, Power Pallazo Pvt Ltd

It is nice to see more companies exhibiting wireless technologies, home lighting solutions, smart city solutions. LED Expo caters to all the component and luminaire manufacturers and I would say it is the apex show of India which brings together all key products and components under one platform.

Mr Gautam Malkani, Managing Director, Fulham (India) Pvt Ltd

It is great to be back again at LED Expo. According to my experience, I feel that this is the best exhibition for the industry.

Mr Anil Valia, Director, Lighting Systems Consultant

TOP PARTICIPATING BRANDS

MEGA LAUNCH EDITION OF

light + LED expo
INDIA

Date : 3 – 5 November 2022

Venue : Pragati Maidan, New Delhi, India

I am strongly looking forward to the launch of Light + LED Expo India where our strategic association with Messe Frankfurt India will bring several manufacturers under the exclusive 'Building technology' pavilion.

Mr Bhavesh Doshi, Founder – Entelechy Group of companies and Director – KNX Association India
